(TSXV: BGM) ("**Barkerville**") are pleased to announce the successful completion of their previously-announced business combination, pursuant to which, among other things, Osisko has acquired all of the issued and outstanding common shares of Barkerville which it did not already own by way of a statutory plan of arrangement under the provisions of the *Business Corporations Act* (British Columbia) (the "**Arrangement**"). The Arrangement became effective at 12:01 a.m. (Vancouver Time) on November 21, 2019 resulting in Barkerville becoming a wholly-owned subsidiary of Osisko.

Under the terms of the Arrangement, each former shareholder of Barkerville is entitled to receive 0.0357 of a common share of Osisko (each whole share, an "**Osisko Share**") in exchange for each common share of Barkerville (each whole share, a "**Barkerville Share**") held immediately prior to the effective time of the Arrangement (the "**Arrangement Consideration**"). Further, under the Arrangement, holders of options to acquire Barkerville Shares outstanding immediately prior to the effective time of the Arrangement received replacement options, entitling the holders thereof to receive Osisko Shares *in lieu* of Barkerville Shares, as adjusted in accordance with the plan of arrangement.

"We are pleased to have concluded this transaction with Barkerville, and look forward to leveraging our industry-leading technical team, with a proven track record of creating value through resource discovery, project development and mine operation, to create value for Osisko's shareholders and to realize the potential upside of the Cariboo project. We would like to thank Barkerville's board of directors, management and shareholders for their hard work and support of this transaction," commented Sean Roosen, Chair of the Board of Directors and Chief Executive Officer of Osisko.

Chris Lodder, President and Chief Executive Officer of Barkerville, stated: "We are very pleased to have closed this transaction and look forward to joining forces with Osisko, which continues to demonstrate its leadership and vision with the launch of the Northern Spirit Discovery Group. We look forward to participating in the future success of Osisko."

In order to receive the Arrangement Consideration in exchange for their Barkerville Shares, registered shareholders of Barkerville must complete, sign, date and return the Letter of Transmittal that was mailed to each registered shareholder of Barkerville. The Letter of Transmittal is also available (i) from Barkerville's depository, Computershare Investor Services Inc., that can be contacted by telephone at: 1 (800) 564-6253 (North American Toll Free) / 1 (514) 982-7555 (Overseas) or by e-mail at: corporateactions@computershare.com, or (ii) on SEDAR (www.sedar.com) under Barkerville's issuer profile.

With the Arrangement now complete, Osisko intends to cause the Barkerville Shares to be delisted from the TSX Venture Exchange (expected on or about close of markets on November

22, 2019), and Barkerville intends to submit an application to the applicable securities regulators to cease to be a reporting issuer and to terminate its public reporting obligations.

Following the completion of the Arrangement, the board of directors of Barkerville has been reconstituted to include Sean Roosen, Bryan A. Coates, Luc Lessard and Chris Lodder.

Further details regarding the Arrangement are set out in Barkerville's management information circular dated October 15, 2019 which is available on SEDAR (www.sedar.com) under Barkerville's issuer profile.
