

**Barkerville Gold Mines Ltd.**

3700 Ski Hill Road  
Wells, B.C.  
Canada V0K 2R0

## **METALLURGIST – QR Mill**

### **ABOUT THE COMPANY:**

- BGM's mill operations are located approximately 70 km away from Quesnel, BC.
- BGM's mine and exploration operations are located in Wells, which has a population of about 250 residents, and has a long history of gold mining and exploration dating back to the 1800s.
- The tourist attraction of Barkerville Historic Site is a 10 minute drive away.
- Wells hosts year-round convenience stores, and local eateries in the summer months.

### **PRIMARY FOCUS**

Reporting to the Mill Manager, the Metallurgist will be responsible for providing technical support and leadership to the plant operations group. The incumbent must possess good communication skills, be self-motivated, and well organized while continuously aligning daily functions to reflect Barkerville Gold Mines Ltd. values. Every position at a mine/mill site is considered to be a safety sensitive.

### **MAIN RESPONSIBILITIES**

- Be a courageous safety leader
- Promote and support the creation of a strong safety culture
- Ensure that all employees work safely and in accordance with applicable legislation, company policy, standards, and procedures
- Develop and maintain a complete metal balance spreadsheet
- Collect, track, and monitor daily operator run sheets
- Develop in-house test work to improve the efficiency and recovery of the circuit
- Provide coaching, education, and training for the mill operators
- Assist in budget preparation and cost control for the concentrator
- Research new technology and propose continuous improvement ideas
- Prepare metallurgical and daily shift reports and submit to management
- Monitor plant performance, identify sources of variability, make recommendations for improvement and implement solutions
- Provide daily, weekly, and monthly production report
- Maintain and follow quality control programs within the plant and onsite laboratory
- Perform other duties as assigned

### **MORE INFORMATION ABOUT THE POSITION:**

- Shift meal and accommodation is provided at our camp facility
- Every position is considered to be a safety-sensitive position
- Preference will be given to local people (Wells/Quesnel area)
